Center for Modern Psychoanalytic Studies

## June Workshop

### Loss and Separation

**S**eparation and loss can be experienced in many ways, such as loss of significant others, functioning, trust, job, and homeland. Anxiety and depression may result. This workshop will focus on interventions that can be used to address the suffering of patients who have experienced such destabilizing events.

#### **Gideon Freudenthal, PhD**

Gideon Freudenthal, PhD, is a graduate of the Center for Modern Psychoanalytic Studies. He is a control analyst at the Training Institute for Mental Health and is a psychologist in private practice in Manhattan and Brooklyn. He has served as Director of Psychology at United Cerebral Palsy, Chief of Behavioral Medicine at Jamaica Hospital, and Chief Supervisor at Interfaith Medical Center.

■ **Wednesdays, June 8 and 15, 2016 • 6:00–8:00 PM** ■

**CMPS, 16 West 10th Street, New York, NY 10011**
