June Workshop

Can Love Last? *Psychoanalytic Perspectives on Couples Therapy and Sexuality*

What makes it so difficult to keep the flame alive? Is mature love a myth? How do unconscious conflicts dampen desire? When a couple has stopped having regular sex is there hope for the relationship? We'll consider how psychoanalytic couples therapy can stir the embers and spark desire.

Jennifer Wade, LCSW, LP, is a training analyst, supervisor, and instructor at CMPS and NYGSP. She is in private practice in Greenwich Village.
