Alexander Pushkin

■ Friday, May 15, 2015 · 7:30-9:30 PM ■

Clinicians and the public are welcome · Presentation is followed by a social gathering

CMPS, 16 West 10th Street, New York, NY · 212.260.7050 · cmps@cmps.edu

RAÚL GARCÍA, PhD, LP, is a CMPS graduate and faculty member who has longstanding research interests in aspects of Russian literature, history, and culture.

LEARNING OBJECTIVES: Participants will become familiar with a seminal work of Russian literature, *Eugene Onegin*, from a psychoanalytic perspective. Participants will use characters in this fictional work as an example of an applied psychoanalysis to understand motivation.
